

KT Partners is here to help you.

Partners is a free online booking management tool available to suppliers of Kuoni Tumlare.

[Confirm](#) new bookings, [respond](#) to changes, and [view the latest updates](#) to your bookings all in one place!

Partners online app will help you to focus on what you do best - delivering great service to travellers.

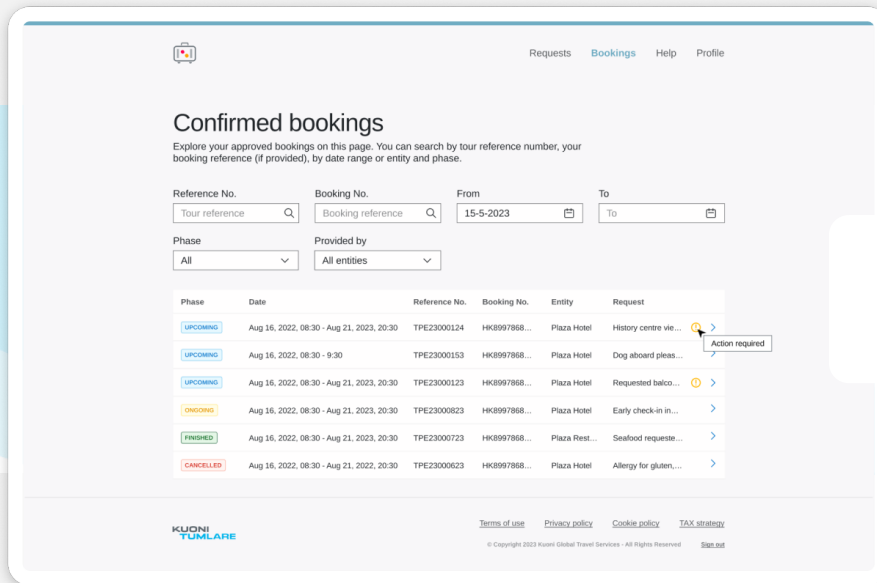

**Streamlined
request management**

Find and view all new and change requests on the dedicated '[Request](#)' page. Take actions like to confirm or reject booking requests.

Say goodbye to email replies! [Go directly to Partners to respond](#) and view full booking details. Email notifications will continue to be sent.

**Consolidated
booking overview**

Review your approved bookings in the 'Bookings' page. Easily search for upcoming, historical and cancelled bookings and click to view its details.

Full booking details including (where applicable):

- menus & day routing;
- pricing;
- driver & tour leader contacts;
- booking history; and
- special requests and other important details.
