# Supplier Web Application

Manage the end-to-end group booking process in one convenient place from anywhere.

Partners for suppliers is a free online tool that supports the end-to-end booking process, allowing you to confirm new groups, respond to changes, and see your scheduled group details all in one place.

Partners online app will help you to focus on what you do best - delivering great service to travellers.

## Manage Bookings Easily

Through Partners, you can manage group tour bookings easily, whilst remaining seamlessly connected with the Kuoni Tumlare team.

- Always up-to-date with the latest information
- Respond to new and changed bookings instantly in a click
- View current and previous bookings with their full history
- Reply with important details or questions
- Available anytime via computer, smartphone or tablet
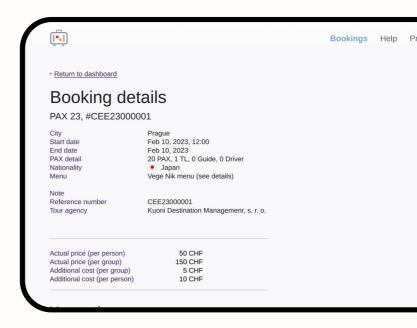

Partners is brought to you by

## Everything you need in one place

View your full booking details, including PAX, times & dates, menus, destinations & day routing, confirmed price (where applicable), special requests and other important details online, anytime.

Use the convenient dropdown menu to switch between your different entities, if applicable.

Respond to new and change requests in one click. Write to us any time within the booking details. Keep track of the changes by viewing the History of your booking.
